

Hello neighbor,

You are cordially invited to attend a meeting open to all Applecross residents on October 18th, at 7:30pm at the East Brandywine Township Building to discuss issues that are impacting our development. One specific issue on the agenda pertains to the dedication of the roadways. As you may or may not know, we have learned that our neighborhood roads will not be accepted for dedication to the Township as public roads. This forum will provide information about the impact this will have on the residents. Township Manager, Scott Piersol, will be in attendance at this meeting to provide information and answer questions.

I strongly urge you to attend.

Sincerely,

Kim Czap

On behalf of George Scherbak

Ps – we do not have a complete neighborhood email list, so please help spread the word by forwarding this email to any neighbor not listed herein on the streets of Hockley, Trego, Norland and the Estates. (Separate distribution emails will be sent to the other sections of the development.)
