As you approach this gorgeous Chatsworth model estate home, prepare to have your breath taken away...

This classic stately Lancaster Stone Estate Home, located on a premier cul-de-sac lot in Applecross, will take your breath away with its incredible upgrades, open floor plan and beautiful lot. This Chatsworth model home with optional sun room and expanded kitchen is one of the original Estate models loaded with over \$100,000 in upgrades. As you enter the dramatic two-story foyer, the grand staircase draws you inside. With glistening hardwood floors & dramatic 9' ceilings throughout the first floor, beautiful crown moldings, chair rails, panels and architectural

columns, recessed lights and floor-to-ceiling windows, you take in the beautiful open concept of the living and dining areas. The huge gourmet kitchen with eating area and 10-foot granite island is a chef's delight, outfitted with stainless steel double wall ovens, a 36-inch upgraded gas cooktop, built-in microwave, upgraded Bosch dishwasher, large walk-in pantry, elegant 42-inch cabinetry with loads of storage, recessed lighting and an abundance of sparkling granite

counter space. Off the kitchen is access to a large maintenance-free deck and stairs to a stunning bluestone patio and a professionally-landscaped yard offering relaxing views and privacy. At just under one acre, with wooded and open space views, you'll enjoy one of the best lots in the community (a \$50k lot premium). The step-down family room, conveniently located off the kitchen, features an intricate coffered ceiling, a beautiful marble gas fireplace, surround sound and ceiling fan. Through the glass French doors is

the first-floor library featuring a bay window and wainscoting. A dramatic 23'x 15'7" sunroom with cathedral ceiling and gorgeous windows is just off the

living room. The sunroom features its own zone for heating and A/C. Through the sliding doors in the sunroom is a second deck and staircase leading to the bluestone patio, giving you multiple options for entertaining. The first floor also features a Butler's pantry with additional storage, a powder room and laundry room complete with sink and cabinetry. Choose between the

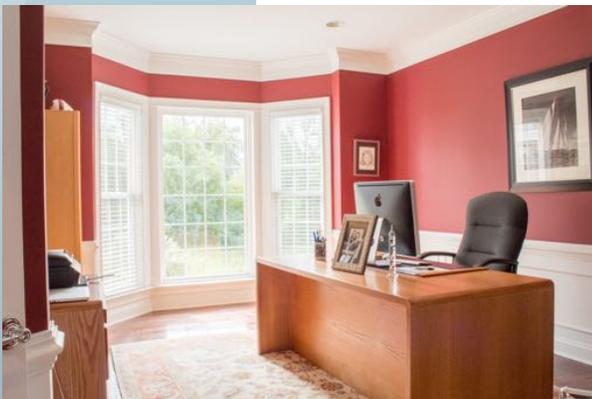

front or back stairway to ascend upstairs. A double-door entryway leads to the large, fully-loaded master suite, featuring a dramatic tray ceiling, separate sitting area and a large master bath with soaking tub, glass shower stall, and a double vanity with tons of storage. The enormous walk-in closet boasts three separate areas with so much storage you have to see it to believe it! The second bedroom, 19'x16', features a walk-in closet and full bath with octagonal window. Two other bedrooms upstairs, each with their own full bathrooms, round out the 2nd floor. The ginormous walk out basement, features over 2,500 square feet, sliders to the covered patio, six windows, and roughed-in plumbing for a bath, offering unbelievable storage as well as tremendous potential for a finished area. The full walk-out basement leads to the patios and the wide flat grass backyard, ideal for kids and adults to play. Come see for yourself why everyone wants to live in Applecross!

Applecross' amenities include golf, outdoor pool, indoor pool, hot tub, tennis, basketball, state-of-the-art gym and fitness classes, walking trails, bar, restaurants, club events, Caribbean pool bar and new club house. "Live where you play!" Downingtown schools are award winning and boast the STEM Academy - ranked this year as the #1 state high school.
